OUR MISSION

To create value by attracting, developing and retaining faculty, staff and students from diverse demographic groups, while providing educational awareness, professional development and enrichment to the UT Dallas culture. ERGs are considered the best resource and chance for the next generation of leaders and other diverse talent.

# UT DALLAS ERGS will enable personnel to:

- Gain exposure and visibility within the broader UT Dallas Campus Community.
- Learn a wide-ranging set of skills by working in partnership on ERG projects and other work related initiatives.
- Grab hold of leadership opportunities within ERGs that you may not otherwise achieve in your day job.
- Contribute to UT Dallas' "cultural competency" through your participation in helping to tell its story via marketing and communication.
- Provide a win-win opportunity for employers and employees because there is value and a bottom line impact for personnel who are empowered and connected like never before.
